

Baystate Financial Services 

Since 1901

## HR Insourcing, LLC

The Group Benefits Department at Baystate Financial Services now has the ability to provide extensive Human Resources support for your company through our relationship with HR Insourcing, LLC. Through this relationship we are able to answer your questions about basic Human Resources issues for no additional cost.

“HR Insourcing, LLC is a professional human resource organization focused on helping mid-sized to smaller companies reduce and control operating costs and free up resources needed to run your business. Integral to your company’s team, HR Insourcing can help identify choices, make decisions and implement programs.”

### Additional HR Services\*

- Employee Handbook
- Compensation Systems and Programs
- Employee Relations Management
- Legal Compliance, Policy Development and Audits
- Recruitment
- Training and Management Development

“All services are custom-tailored, flexible and service oriented, specifically designed with each client’s unique business personality and human resource requirements in mind.”

\*These services are provided at an additional cost subject to HR Insourcing rates.
